**CELEBRATING TEAMWORK**

*Last Friday I had the pleasure of accompanying the year 6 to Lake Keepit Recreation camp where the children participated in a range of activities based on cooperation and teamwork. I was very proud of all the children who demonstrated great teamwork and pushed the boundaries of their own personal comfort zones in the mud run.*

It is important that we teach our students about teamwork and the role of the individual because in real life people often have to work as teams. Working in groups, as students, can be very frustrating because not everyone is capable or willing to do their part to achieve the best end product and will need the entire team to support and encourage them to do their part. Teamwork is important to life.

***"Talent wins games, but teamwork and intelligence win championships." – Michael Jordan***

**BULLYING. NO WAY! TAKE ACTION EVERY DAY.**

Schools across Australia are being called to get involved and take action on the ninth National Day of Action against Bullying and Violence on Friday 15 March and stand united against bullying and violence with IN school communities across the nation.

At Tamworth South we take bullying in our school community seriously, so we will be focussing on a range of lessons during the week leading up to the National Day Against Bullying and Violence on Friday 15 March. It is a chance to take action and empower young people to be part of the solution when addressing bullying in the school community. It provides an opportunity to focus on bullying and the big changes we can make to create safer communities for everyone.

The lessons will cover the following areas

- What is bullying?
- Responding to Bullying
- The role of the bystander?
- Preventing Bullying

Let's work together to stamp out bullying in our community.

## School Community Charter

**Collaborative. Respectful. Communication.**

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive

**What our schools provide**  
NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

**The best education happens when parents and schools work together.**  
The School Community Charter aligns with the NSW Department of Education Strategic Plan 2018 - 2022.

**Positive environments**  
It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- To be welcomed into our schools to work in partnership to promote student learning
- Communication from school staff will be timely, polite and informative
- Professional relationships with school staff are based on transparency, honesty and mutual respect
- To be treated fairly. Tolerance and understanding are promoted as we respect diversity

**Ensuring respectful learning environments for all members of NSW Public Schools communities.**

**We treat each other with respect**

**We prioritise the wellbeing of all students and staff**

**Unsafe behaviour is not acceptable in our schools**

**We work together with the school**

© NSW Department of Education

**We create collaborative learning environments**

**We all play our part**

**We work in partnership to promote student learning**

**Communicating with our schools**  
Our staff will find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

Our schools and communities will make sure that written communication is appropriate, fair and easy to read. We encourage you to use email and social media appropriately to connect with your school and stay up-to-date with up-coming events in the school community.

Our guide for parents, carers and students provides useful information about the complaints process: [education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students](http://education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students)

**Respectful communication is a right**  
In all workplaces people have the right to feel respected. Unacceptable and offensive behaviour has no place in our school communities.

To ensure the wellbeing of students, staff and the community in our schools, steps will be taken to address unacceptable behaviour. This may include restricting contact with the school community or, in more serious cases, referral to NSW Police.

**Unacceptable behaviour may include but is not limited to:**

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability
- Inappropriate and time-wasting communication.

## School Parking Issues

Over the last couple of days, there have been some reports made around individual parents not respecting the rules of the road in and around the school. I appreciate the community taking care of all children's safety seriously.

Parents are parking in the No Parking areas, stopping in no stopping areas, in the middle of the road, bus zones and they are even parking across and blocking the driveways to private residential homes while they are dropping off or picking up their children from school. This is unacceptable and places lives at risk and will lead to police intervention.

In Woodward Avenue on the Western side of the road there is usually ample parking available for parents in the morning and in the afternoons. It is true that it requires a bit of walking and a supervised pedestrian crossing to negotiate, but there is definitely space at the western end of the school.

Please talk to your children about the importance of road safety, how they must cross at the school crossing and obey the instructions given by our crossing supervisor and not just run the road in front of traffic. All it takes is one slip for something bad to happen. Stay safe.

### SCHOOL SAFETY REMINDER:

Be sure to follow your school's pick up and drop off procedures.

More children are hit by vehicles near schools than at any other location.

**CARS AND KIDS DON'T MIX.**  
FOLLOW SCHOOL DROP OFF PROCEDURES.

## Tamworth High School Centenary Celebrations 1919 - 2019

Tamworth High School will be celebrating its centenary with a week of celebrations from **25-30 March 2019**

Celebrations will include a formal assembly, student disco, centenary football games, school tours, concert and formal dinner.

Book your tickets, register your intention to attend and order your merchandise via the school [website](#) or by visiting the front office staff at Tamworth High School.

You can also join the Facebook group **THS Centenary 2019**

## Healthy Mouths for Kids at School

Dental information for parents & carers

### Did you know?

Children with tooth decay can have trouble eating, sleeping and focusing in class.

Avoid tooth decay by brushing teeth twice a day and limiting sugary food and drink.

### Drink Well

Make tap water your family's drink.

### Clean Well

Brush teeth after breakfast and before bed. Help children brush until they are 8 years old.

### Eat Well

Offer healthy snacks like cheese, veggie sticks, fresh fruit & plain yoghurt.

### Play Well

A well fitted mouthguard can reduce the risk of injury.

### Stay Well

Children should have regular dental checks.

### Jump Rope for Heart

We're skipping through the term!

Jump Rope for Heart is well underway and we are now half way through the program. It's great to see so many children skipping during class times and out in the playground with smiles on their faces learning new skills and tricks!

Tamworth South Public School has already raised over \$1,000!

It's not long now until our Jump Off Day on 29 March. More information is to follow, however, it will be between 9:10am and 11:10am on the day. Please come and join us to see our students' wonderful new skipping skills.

It is not too late to start fundraising. Just follow the link below and enter your details. Then just share your online fundraising page with family and friends to raise money for a great cause!

### WHAT ARE FUNDAMENTAL MOVEMENT SKILLS?

Fundamental movement skills are the building blocks for movement. They are the skills which children need to participate successfully in all types of games, physical activities and sports. Examples of these skills can be frequently seen in popular games and activities played by children in the school playground.

These twelve skills represent a solid foundation for the development of specialised skills, enabling children to participate in a wide range of physical activities. They are:

1. Static balance
2. Sprint run
3. Vertical jump
4. Catch
5. Hop
6. Side gallop
7. Skip
8. Overarm throw
9. Leap
10. Kick
11. Two-hand strike
12. Dodge

**CRUNCH&SIP®**

Crunch&Sip® is a set time during class time for primary school students to 'refuel' on vegetables, salad or fruit, and 'rehydrate' with water. Students who are not hungry and are well hydrated perform better in the classroom, show increased concentration, and are less likely to be irritable and disruptive. Many students are not eating enough vegetables and fruit or keeping sufficiently hydrated.

What to pack for **Crunch&Sip®**

**It's simple!**

Crunch&Sip means vegetables, fruit and water only.
