Dental Visit

On Tuesday, Kindergarten had a visit from Marius Street Dental.

Dr Vera Stevenson and her wonderful dental assistants led some group activities about brushing our teeth, foods that keep our teeth healthy and what to expect when you go to the dentist.

Everyone enjoyed themselves and we can all agree that our teeth are going to be much happier and healthier!

Kindergarten 2020

Do you have a child starting Kindergarten in 2020?

If so, please give your child's details to the school office. Enrolment packs will be sent out early in Term 3.

Congratulations to our students for their wonderful efforts working towards achieving their educational goals this semester. It has been wonderful to see so many parents accessing the opportunity to meet with teachers, accompanied by their children, to discuss their child's report and plan for future learning.

As the term draws to a close I would like to thank the students of Tamworth South Public School for being respectful, kind and caring. I hope their school experience and the opportunities so far this year has been memorable.

I'd also like to take this opportunity to thank my professional, caring and devoted staff for their excellent work and dedication to providing our students a rich, dynamic and engaging education.

Thanks to our community for your ongoing support and commitment to our school. I would especially like to thank the dedicated P&C for their collaborative efforts to ensure our school partners with the community to achieve the best for children.

Have a safe, relaxing and restful holidays.

*Year 3
Mathematical Learning*

Year 3 engaged in mathematical learning with Mrs Grant using packets of smarties!

Students used the smarties to work on fractions, graphs and measurements.

**Stage 3
CPR Lessons**

We would like to advise Parents/Carers about the change to the Stage 3 CPR Lessons note that has been sent home to our Stage 3 students.

The change is that there will be no cost to participate in the CPR lessons, as it will be covered by the school.

If your child has already sent in their \$3.50 to participate in the lessons, your money will be given back to your child.

Please don't forget to return the CPR permission notes to your child's classroom teacher.

Stage 1 Reports Years 1 and 2

If you have a child in Stage 1 you should have received your child's report on Friday 28 June so you would have it prior to your Parent/Teacher Interviews.

All other reports were distributed Monday 1 July 2019.

SCHOOL SAFETY REMINDER:

Be sure to follow your school's pick up and drop off procedures.

More children are hit by vehicles near schools than at any other location.

**CARS AND KIDS DON'T MIX.
FOLLOW SCHOOL DROP OFF PROCEDURES.**

Kindergarten Celebration and Morning Tea!

We cannot believe that our little Kindergarten students are nearly finished their first semester of schooling. It has been such a positive time at Tamworth South Public School and our littlest students have learned so much!

We would love the opportunity to celebrate all that our students have achieved by sharing in a morning tea with our families on Thursday 25 July at 9:30am in the Kindergarten play area. This is a chance for parents and carers to come to school, meet with the classroom teachers for an informal interview or catch up and to meet and mingle with other families.

This morning tea will be instead of formal interviews but of course, there will be the opportunity to schedule a meeting with your child’s teacher at a later time. We hope to see you all there.

NAIDOC Week

At Tamworth South Public School we are celebrating NAIDOC Week during Week 2 Term 3.

As a community the AECG requested that schools stagger their celebrations so people and resources can be shared across schools.

Weekly tip: sports performance

In June, our weekly tips aim to inspire and equip dads with kids in sport.

This week, we're reflecting on what really matters in sport.

- ★ Understand and remind yourself why kids play sport - for mateship, fun, socialisation, challenge, competition and achievement.
- ★ Teach the value of team, community, healthy competition and fair play.
- ★ Ask yourself, is your child playing for you, or for their own enjoyment? If they're playing 'for you', think about if this is what you want - and consider allowing more freedom to choose their activities.
- ★ Take off the pressure to achieve - and encourage simply 'doing your best'.
- ★ Get involved in the team but know your place and avoid overstepping your role.
- ★ Balance sports with other activities like play, learning, outdoors activities and conversations.

Come and find out how you can help us to start the conversation about fathering

TSPS's Chess and Cheer Pong Competition

Tamworth South Public Schools Chess Competition have welcomed many new players and saw the old champions return to defend their titles.

Forty students gave up their lunchtime play to battle it out, over the past nine weeks. But Term 2 crowned a new champion at South. Big, warm, fuzzy congratulations go to Reece Ware - 1st Place, Matilda Cobb - 2nd Place and Thomas MacAlpine - 3rd Place.

Cheer Pong was a new competition introduced this term which proved to be very popular among the students. They played two to three days every week during their afternoon tea break.

We are positively thrilled to congratulate

1st Place Winner Logan Windsor, 2nd Place Tyler McKee and 3rd Place Matilda Cobb.

Chess and Cheer Pong finalists celebrated their success with food, fun and nerf guns on Tuesday with Karly. A great time was had by everyone who attended.

All students who participated in the Chess and Cheer Pong Competitions can be proud of their skills and the excellent sportsmanship demonstrated.

Friends who play together stay together

**Hockey State Championship
Molly Carey**

On Tuesday 25 June to Thursday 27 June 2019 I went to Newcastle for the state championships. I was the only one from Tamworth South Public School to make it to that level for hockey this year.

We played seven games of hockey with 20 minute quarters. We competed against very strong opponents and both teams always displayed great sportsmanship.

We drew five games and lost two.

I was so proud to be told that I'm in the top 180 players in the state.

RUGBY LEAGUE CLINIC

There is no better way to take your Rugby League to the next level than by freshening up old skills and learning new ones, while making new friends at the PSM Rugby League Clinic.

PSM Rugby League Clinics provide an opportunity for junior athletes to participate in a Rugby League Clinic created by senior Professional Coaches such as Former French, NSW and Australian Rugby League player and now assistant coach at Manly Sea Eagles, John Cartwright.

These programs will assist junior players develop fundamental skills and act as a small showcase to identify elite junior players. Elite junior players identified by PSM scouts, displaying

traits of high character and talent during these clinics will be invited to join the PSM Academy and reap the benefits of elite development.

PSM manage the careers of some of the biggest Rugby League stars like Daryl Cherry-Evans, Nate Myles, Jason Taumalolo, Valentine Holmes, Kane Elers, Nathan Ross and JJ Lawrence.

PSM PROVIDES A PATHWAY FOR ALL PLAYERS WHO ARE WISHING TO BE IDENTIFIED.

THIS COULD BE THE BEGINNING OF YOUR JOURNEY!
