Bicentennial Park - Year 1

On Friday 24 May, Year 1 students went to Bicentennial Park. This excursion is part of the Geography KLA.

Students looked at the natural features and human-made features.

The War Memorials were especially interesting. As the students toured the park they sketched the features. It was a beautiful, sunny day. Students enjoyed playing on the playground.

Extra Curricula Activities

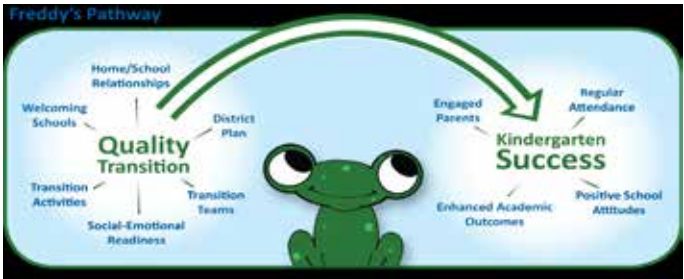

At Tamworth South we are grateful for the amazing opportunities our students have had over the last two weeks.

We have had students competing in a range of extra-curricula activities such as girls 7's rugby, Multicultural Speaking stage finals, Fire Safety talks, Gunnedah Eisteddfod Choir, visiting performances (The Human Race) and the PBL Star of the Month celebrations all whilst maintaining a focus on the core learning around numeracy and literacy.

Studies have shown that students who participate in extra-curricular activities often have a marked improvement in their academic performance. The skills students learn are useful in the classroom and in the social environment. Skills such as teamwork, empathy, sympathy, listening, following instructions and critical thinking are important in the classroom, on the playing field and in life in general.

If you or a friend has a child in our school zone please contact the school to leave details so that we can contact you early Term 3 to share the wonderful curriculum, events and extra-curricular activities that we will be offering at Tamworth South Public School.

Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

All Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collate data on their students who are receiving adjustments to meet additional learning and support needs, in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005.

This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data must not explicitly identify any student. General information about the national data collection can be found on the Australian Government Department of Education and Training (AGDET) **website at** <https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability> **Privacy Protection**

The NSW Department of Education follows the requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002.

Schools collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Clause 52 of the Australian Education Regulation 2013 (Cth) identifies the data NSW Department of Education must provide to AGDET for the NCCD. It includes the number of students at each year of schooling, the number in each category of disability and the number at each level of adjustment. The information is provided as a series of number sets that must not explicitly identify a student.

The AGDET follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided in connection with the NCCD. A public information notice providing students, parents and carers with important privacy information about the data collection is available on the AGDET website

If you have any questions about the data collection please do not hesitate to contact Tamworth South Public School

**Weekly Tip:
unconditional love**

Weekly tip: unconditional love

In May, our weekly tips are aimed at dads with primary school kids.

This week, we're looking at helping your kids feel unconditionally loved. Try our tips:

Tell your kids that your love does not depend upon their performance at school or sport. Tell them too that it doesn't depend on their music, friends, beliefs or behaviour.

Make a clear distinction between not loving a particular one of their actions versus not loving them.

Don't confuse unconditional love with trying to be their 'pal' rather than their parent.

Surprise them by doing spontaneous kind acts for them.

Avoid saying "I love you, but...", try to let the phrase stand alone to show that your love doesn't depend on any other factor.

Tamworth Sporting Challenge

BLOOD DRIVE

Unite and give blood 01 June 2019 - 31 August 2019

Recent Events - Fire Brigade Visit

It has been a very busy time in Infants recently. We were lucky enough to have a visit from the Fire Brigade who talked to us about safe fires and what to do in a dangerous fire. 'Now we know to **'Get down low and Go, Go, Go!'**

Responsible Pet Program

We were also lucky enough to get a visit from Crystal the Huskie. She helped teach us all about being safe around dogs, her owner also talked to us about how we should approach a dog we don't know.

No lead, no owner, no touch!

The Human Race

Students also had the opportunity to attend the **'Human Race'** show in the hall.

It was lots of fun for everyone!

Rugby Girls 7's Try Day Selection Trials

On Monday 3rd June Katelyn, Savanna, Bianca, Taysha, Taylah, Mia, Vienna and Maya went to the Tamworth Magpies Rugby Ground to try their luck in girls Rugby.

They also wanted to try and get into the North West team to go to Sydney and play rugby 7's against all the other regions in September.

There were girls from Barraba, Bingara, Tamworth South, Inverell, Coolah, Narrabri, Gunnedah, Boggabri, Spring Ridge, Mullaley, Quirindi, Timbumburi, Tamworth West, Warialda, Coonabarabran and Coonamble 43 girls in all.

We started the day off with drills and skills and a quick run down on how to be safe in the game of rugby from the Waratahs Development Officer, Georgia Moore, Mrs Lush and Mrs Roser-Whitney.

Next we started to play some games of rugby with 10 a side. This was a lot of fun. *We also had to show how tough we were because we played in the rain and cold as this could also happen at the State Carnival.* We were all going great until one of our players got tackled hard and

stepped on. She then had to have a rest.

After lunch we played more rugby but this time it was 7 a side which was much faster. Mrs Roser-Whitney, Mrs Lush and the development officers all got together and put names forward for a North West Team. Only 12 girls were allowed to be selected for the North West Team. The 2 girls from Tamworth South were Savanna Brennan and Maya Patterson. Vienna Richards and Mia Cloake made it into the top 20 girls on the day and were unlucky not to be chosen as well.

Thank you Mrs Roser-Whitney for Coaching us and thank you to Julie Craigie for helping us at the field. Last of all thank you Mrs Cook for taking some of us girls to the ground as well. Without everyone helping us we wouldn't have had the opportunity to do this.

By Katelyn, Bianca and Savanna

P & C

Parents and Citizens

Our P&C meetings are held in the Library on the third Wednesday of the month at 6:00pm.

Next P&C Meeting will be on

Wednesday 19 June

Which will be held at the NEW time of 6:00pm in the School Library.

All Parents, Grandparents and Guardians are welcome to attend. We welcome new volunteers and members.

Clothing Pool

Term 2 changes for the Clothing Pool

The clothing pool hours have changed for Term 2. Due to some work changes there will be no set opening hours. If you need the clothing pool, you will need to see Michelle Weber in the school canteen between 8:30am and 2:00pm.

If you have any queries please email us on

tspspandc@gmail.com

or you can leave a message at the office and it will be passed on to the Clothing Pool.

The clothing pool is now stocking short socks in assorted sizes in bottle green, grey and white. They cost \$4.00 a pair.

Canteen - School Hats

Due to the large number of enquires about hats with a tie under the chin, we have sourced hats with a tie on the crown.

All hats will be at a new price of \$10.00

Available Now

Clothing Pool is now stocking

Grey Long Pants with double knee
\$20.00 pair (sizes 6 to 16)

Green Beanies

\$5.00 each
(one size fits all)

BREAKFAST CLUB

If anyone from our Tamworth South Public School community would like to donate large tins of milo to our schools Breakfast club, this would be very much appreciated as we are running very low.

Thank you in advance

Family Science Show

Lightning: So Frightening

Thursday June 11, 2019
6.30 p.m. – 7.30 p.m.

Neringha Public School

For Keen Science Students (Primary and Secondary) and Parents/Guardians

Increase your Interest and Enjoyment in Learning

- What is the difference between volts and amps? Which one is deadly? Does a lightning flash travel upwards or downwards? Why shouldn't you lie down on the ground when there is a thunder storm around? Why do so many people die unnecessarily after an electrical accident or being struck by lightning? And more.

Highly Visual and Entertaining

- See the long sparks from a one-half-million-volt Tesla coil, the effect of electricity on your muscles (ouch!), how lightning caused an Italian church to explode, what happens when lightning strikes a car, and more, and hear some fascinating stories involving lightning.

Examine Interesting Phenomena Using Equipment That is Not Readily Available

- Study different types of lightning strikes to people and other animals, ways to protect yourself from being struck by lightning, why lightning can affect different types of trees in different ways, and more.

Cost: \$12 per person.

Presenter: Dr Peter H. Eastwell
Director, Science Time Education (www.ScienceTime.com.au)

To Book

To book, please email the name(s) of those in your group wishing to attend, as well as the name of your school, to neringha@sciencetime.com.au by **June 12**. You will receive confirmation of your booking by return email. Payment will be by cash (\$12 per person) at the door on the night, please. Booking is important to ensure that the show is not overbooked or that you are alerted in the event that bookings are insufficient to support the show.
