Super Hero Day

On Friday 7 June Tamworth South Public School was full of Super Heroes.

There were many Superwomen, Supermen, Avengers, Harry Potter, where's Wally and even a Cow. There were lots of other fantastic characters that visited our school for the day.

The Infants playground had many Wonder Women, Incredible Hulks, Batman, Spiderman, Ninjas and many more Super Heroes.

It was a super fun day and a super way to raise money for the farmers.

Three-Way Parent/Teacher/Student Interviews

From a teacher's perspective, a parent teacher interview that includes the student will strengthen the three-way partnership that exists during a child's passage through school.

When parents, the teacher and the student come together it generates a positive relationship that is inclusive and places the child at the centre.

As a parent of three I know that children don't always communicate what happens at school accurately if they share anything at all. Three-Way interviews are one way of maintaining contact with your child's teacher and to get a better understanding of classroom expectations, where your child is academically and how they are going socially.

Teachers can provide helpful feedback on the behaviour of your child in the classroom and are in the best position to recognise when learning support needs to be accessed.

An interview enables teachers, parents and students to reflect on the child's progress and to make plans together to support further improvement.

We plan to hold Three-Way Interviews during week 10, so next week your child will be given information to take home on how you can book an interview with their teacher.

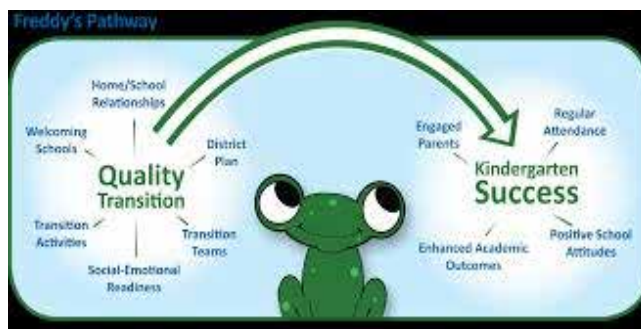

Please bring your child with you to these interviews regardless of whether they are in Kindergarten or Year 6. At interview your child's teacher will provide clarification around results and comments on the school report.

I understand some parents/carers will be unable to attend interviews during the allocated week. Please remember that you can book an interview with your child's teacher any time throughout the school year, just contact your child's teacher to organise a mutually convenient time.

2020 Kindergarten

We are currently planning our Kindergarten 2020 Transition to School Program.

If you or a friend has a child in our school zone please contact the school to leave details so that we can contact you early Term 3 to share the wonderful curriculum, events and extra-curricular activities that we will be offering at Tamworth South Public School.

***TSPS Network Upgrade
Important Notification to Parents/Carers***

On Monday 17 June the current plan in the upgrade is for a new network cabinet to be installed in A Block. This will result in no network access in this area. This includes computers, Wi-Fi, network phones and printing within this block. This includes the main offices.

Please be aware that these network upgrades will be done in other areas of the school during Week 8.

The network upgrade for a new network cabinet to be installed in B Block. Will either be on Wednesday 19 June, Thursday 20 June or Friday 21 June.

This involves everyone and will result in no network access **ACROSS THE WHOLE SCHOOL**. This includes all computers, Wi-Fi, the internet within the school and network phones.

Please be aware that on these days, we will have limited phone access, so if parents/carers would be able to ensure that their child/children are aware of what their afternoon routines are in regards to catching the bus as we may not be able to get the messages to them.

If your child/children need to be picked up early from school for any reason by someone other than yourself please make sure written permission is given to the office.

Thank you for your patience and support, we apologise for any inconvenience this may cause.

Weekly tip: winning and losing well

In June, our weekly tips aim to inspire and equip dads with kids in sport.

This week; how can you help your kids learn how to win and lose well?

- Encourage your child to congratulate their opponent when they lose, and not boast when they win.
- Talk about the game afterwards and help your child to see where they did well and areas where they could critique themselves constructively - were they a good sport, do they think they gave their best effort, how could they work better with the team?
- Encourage your child to do their best at all times, and share some tips on how you stay motivated with your sport and other challenges.
- Openly recognise good sportsmanship in your child and others.
- Don't be the 'ugly parent' at your child's events – cheer good play by both sides and treat players, coaches and referees with respect.

Tamworth Eisteddfod 2019

Congratulations again goes to our wonderful primary choirs, taught and conducted by our specialist music teacher Mrs Brown.

On Tuesday 11 June, Stage Two Choir and Stage Three Vocal Group competed in the Primary Choirs Section of the Tamworth Eisteddfod.

Our boys and girls were exceptional ambassadors for our school in their performance and audience behaviour.

Our choirs took out first and second places in their section. Stage Two Choir members can be very proud of beating Vocal Group out of first place by one point. They were complimented by the adjudicator on their secure singing of parts, lovely harmony and clear diction.

Well done members of Vocal Group, Stage Two Choir and Mrs Brown!

Year 6 and Year 5 Marimba

On Thursday Year 6 and Year 5 Marimba travelled to the town hall to perform in the school instrumental ensemble sections of the Tamworth Eisteddfod 2019.

Both groups performed their best and showed wonderful musicianship and team work.

They were outstanding ambassadors for Tamworth South Public School with their excellent audience behaviour and mature approach to moving and setting up all the equipment.

The adjudicator said how much he enjoyed their performances and placed Year 5 first and Year 6 just behind them by one mark in second in the Primary Percussion Section.

Thank you to Mrs Patison and Gene for your great assistance on the day.

Well done music students!

Protecting Our Children

Schools must be following Department of Education Policies. It must be appreciated that your child's safety is paramount.

Every volunteer in the classroom, canteen, office and with sporting teams, must sign a Child Protection declaration form and provide 100-point identification (if you do not provide a WWCC number).

Parents/Carers transporting team members other than their own child will also be expected to provide a copy of their license, comprehensive insurance and car registration. All paperwork can be completed and presented at the front office. Please note that you only need to do this once in the year and it will be kept on file in the front office.

Parents/Carers of all early leavers must report to the front office to collect an Early Departure slip before collecting a child. The slip must be shown to the teacher to verify that the child has been signed out. Parents/Carers must keep the slip with them in case they are approached in the street by HSLO's who often work with the police to complete a Street Sweep.
