Aboriginal Survival Technology with Phil Green

On Thursday 25 July Early Stage One students (ES1) went to see a show in the school hall for NAIDOC week.

The show talked about fire, water, clothing, weapons and hunting bush tucker.

The students were split into groups and given a tactile experience touching items from the presentation.

The show uses Indigenous peoples traditional technologies from Australia's deserts, mountain, rivers and sea shores.

Welcome back to Term 3 everyone!

We are already half way through the school year, and the focus for all teachers and children is to continue to consolidate learning whilst extending existing learning. It was wonderful to see so many parents attend parent/teacher interviews and involve their children in the process. Feedback has been very positive around this.

We have an extremely busy term planned already.

The Term 3 calendar included in this newsletter is filling up fast. This week we have already had the Kindergarten celebration and morning tea, Primary Athletics Carnival and the NAIDOC Week disco to kick start a raft of activities planned over the next couple of weeks.

Keep an eye on the newsletter calendar for a list of activities planned next week for NAIDOC Week and the following week for Education Week.

New Bell System

This week we had a new bell system installed so now the alarms required for emergency situations can be heard clearly all over the school.

The new system also has a music facility allowing us to play music across the school. We are currently using music to signify the end of breaks and home time. The music allows the children approximately 3 minutes to line up for class. Choosing songs well known to children encourages a smooth transition from the playground to lines and it is good fun too. The children will also be given an opportunity to nominate songs of their choice.

School Uniforms

Please help us to keep children in school uniform even though it is cold, only school uniform should be worn to school. The children look very smart and tidy in their uniforms.

If you need assistance providing the appropriate uniform please contact the office so we can provide assistance. Remember to clearly label all clothing, especially jackets and jumpers so that they can be returned when lost.

Athletics photos will be in next weeks Newsletter.

Weekly tip: attitudes to umpires and officials

In July, our weekly tips aim to inspire and equip dads coaching kids in sport.

This week, ensure you have the right attitude when it comes to umpires and officials.

- Actively demonstrate respect for the important role played by umpires/officials.
- Remind players and families there would be no games without umpires/officials.
- Consider the way you respond to any perceived mistakes, you may have bias. Remember you are always modelling 'appropriate' behaviour. Your kids will view your response as the 'acceptable' standard.
- When appropriate, make a conscious effort to introduce yourself to the umpires prior to the game.
- Remember that even professional umpires/officials make mistakes - and often they will be young people just doing their best, like your players.

Tamworth Junior Touch Football Competition

The Semester 2 Primary (Years 3-6) Touch Football Competition will be commencing on Monday 19 August 2019 and finishing on Monday 2 December 2019.

The Little Nippers (Kindergarten-Year 2) will commence on Monday 26 August 2019 and finish on Monday 18 November 2019.

There are two time slots played each week.

Kindergarten – Year 4 play at 4.30pm and Years 5 – 6 play at 5.15pm.

Cost: \$40.00 for Little Nippers and \$50.00 for Primary players. Due by Monday 9 September 2019.

Please note if you used the **Active Kids Voucher** in Semester 1 that will cover the cost of this competition.

Money can be paid to Miss Jolliffe at school in **Room 9** or at the Touch Fields. **Please do not send money to the school office.**

If you are interested, please get a permission note from Miss Jolliffe and return it by **Friday 9 August.**

Games are held at the Gipps Street Playing Fields

NSW Government will provide \$100 to help contribute to the cost of each child's participation in sport and active recreation

Protecting Our Children

Schools must be following Department of Education Policies. It must be appreciated that your child's safety is paramount.

Every volunteer in the classroom, canteen, office and with sporting teams, must sign a Child Protection declaration form and provide 100-point identification (if you do not provide a WWCC number).

Parents/Carers transporting team members other than their own child will also be expected to provide a copy of their license, comprehensive insurance and car registration. All paperwork can be completed and presented at the front office. Please note that you only need to do this once in the year and it will be kept on file in the front office.

Parents/Carers of all early leavers must report to the front office to collect an Early Departure slip before collecting a child. The slip must be shown to the teacher to verify that the child has been signed out. Parents/Carers must keep the slip with them incase they are approached in the street by HSLO's who often work with the police to complete a Street Sweep.

SCHOOL SAFETY REMINDER:

Be sure to follow your school's pick up and drop off procedures.

More children are hit by vehicles near schools than at any other location.

**CARS AND KIDS DON'T MIX.
FOLLOW SCHOOL DROP OFF PROCEDURES.**
