Thomas MacAlpine NSW Bouldering Titles

On the 20th July I competed in the Tamworth Boulder Jam and as a result I was asked to compete on the Freestyle team at the NSW/ACT state Titles.

For the past 8 weeks I have been training 3 times a week with the team. On Friday 6 September we travelled to Sydney to compete first thing on Saturday 7 September.

I was in the youth D Division and I completed 6 of the 7 climbs and reached halfway on all climbs. This placed me 7th in NSW and 8th overall.

I had a great time and am I training hard for next year.

Leonie Byrne, Principal

"Paper Planes and Pizza "

On Wednesday we will host our first Fathering Project event, Paper Planes and Pizza in the Hall.

The Fathering Project is a University of Western Australia-based non-profit team of professionals whose aim is to help fathers realise how important they are in a child's life and to give them advice on how to encourage their children.

Their work is also aimed at father figures such as grandfathers, stepfathers, uncles, mentors, youth leaders, teachers, pastors and coaches, knowing that many children do not have much father contact at all. The evening will commence at 5:00pm and conclude at 6:30pm.

Please complete the note sent home yesterday if you are able to attend so we can ensure we have enough pizza on hand. Of course if dad, or another father figure cannot come, mum can come along instead. All children must be accompanied by an adult.

For security purposes please use the Woodward Avenue gate.

Thank you to Mr Bailey for organising this event.

Transition

We had another exciting transition to Kindergarten on Wednesday 11th of September, with 28 little people coming to visit the school. We spent some time dancing, singing, reading and drawing. We all had a lot of fun listening to the story of the Very Hungry Caterpillar, making caterpillar faces and threading beads to make our very own caterpillars!

It was an exciting adventure as we went searching for the Hungry Caterpillar who was hidden somewhere in the school. It turned out, he was in the canteen!!! Luckily for us, we were able to talk about the healthy foods available at the canteen and about the best foods to bring in our lunchboxes.

If you know someone who is ready to come to school and hasn't yet joined our transition program, please call the school. We would love to see you for lots of fun and adventure!

FOOTY COLOURS DAY

On Friday 20 September the SRC would like to invite **ALL** parents/carers, STUDENTS, staff and visitors who enter the school to dress in footy colours of your choice.

You don't have to be a footy fan just wear a particular team's colours.

All participants will be asked to make a money donation to **DROUGHT RELIEF**.

Students from the SRC will set up a donation point in **Room 4**, also if you would like to make a larger money donation to go towards **DROUGHT RELIEF** it can be left at the office.

Thank you for helping to ease the plight of our farmers.

Are you ready for Australian Reading Hour?

On Thursday 19 September 2019 all Australians across the country are encouraging to pick up a book and read for one hour on your own or with the children in your life.

Take an hour on Thursday 19 September to pick up a good book. <https://readinghour.org.au/>

Stop what you're doing for one hour and pick up a book. We want Australians to either rediscover or introduce themselves to the benefits of reading. Take the time to learn, escape and relax.

In children, reading has been shown to help with identity formation, setting them up for success in the future.

In adults, reading has been shown to reduce stress by 68% more than listening to music, going for a walk, or having a cup of tea.

You might like to read at home, in your favourite cafe or perhaps at your local library or bookshop. Why not get a few friends or colleagues together and throw a silent reading party?

Or enjoy an extra long bedtime story with the children in your life?

Musica Viva Concert No.2

On Tuesday all students were again treated to another wonderful concert from the national organisation Musica Viva.

Zeeko is a trio consisting of three talented and highly sought after musicians. They all perform regularly in a variety of ensembles and styles throughout Australia and internationally.

Two of the group's members are also composers. Zeeko member David Hewitt has composed most of the group's repertoire which is highly original.

The environment is the theme of Zeeko's show and many of the instruments featured in it are created from items in our natural and man-made environments.

The performers had the students instantly engaged and amazed from the very start, with a piece of musical conversations played on glass bottles filled with water. Later the students participated with rhythms, movement, singing and games.

Many students have been learning about Zeeko's music before the concert with Mrs Brown our specialist music teacher and will continue the learning activities even after the concert.

SetGO is a networking app, used to help like-minded people connect and meet based on interests and current location.

If you, as a member of a Fathering Project, are out and about during the day, and find yourself with time on your hands, you can use the app to locate and network with other members. For example, you could meet over coffee or lunch to exchange thoughts and ideas of what's working well in your Dads Group.

Over the next 3 months set yourself a goal to meet and connect with another Fathering Project member.

- Install setGO from the App Store or Google Play
- During setup select the interest tag - The Fathering Project
- When prompted input the case sensitive code - LeaJQY
- Then discover, connect and meet. Good luck.

Are You A Parent of a Child Aged 2 to 12?

The Parenting and Family Support Centre at the University of Queensland is conducting research into parents' opinions about parenting and parenting programs.

If you have a child between 2 and 12 years, we would love to hear your views on parenting and the services that are available to you as a parent. You will need to complete a short survey

In August, our weekly tips aim to inspire and equip separated dads. This week, we are taking a look at the importance of a shared parenting plan when it comes to discipline for your children.

- Developing a shared parenting plan.
- Greater consistency between each home will mean your children feel more secure.
- By being consistent with your approach to discipline, you create a routine and rhythm for your kids to settle into and also model the importance of respectful relationships and working together.
- When planning, create clear and consistent rules that are utilised in both households and communicate with your parenting partner on their effectiveness.
- Consistency across things like bedtime, screen time, playtime, dinnertime and other after school or before school routines will help the children understand what's expected of them.
- Consider how discipline will be enforced, what tactics do you and your parenting partner both agree on when there is a problem, or when your child makes an error in judgement?
