Whats happening in the Classroom

Class KT-17

What a busy few weeks of learning KT-17 has had. Our walls are now proudly displaying some of our artwork such as very hungry caterpillars and Dinosaur handprint paintings.

Our story of 'Where is the green sheep' saw some budding artists come to light with all sorts of coloured sheep and this week we enjoyed some technology time with Mrs Nagle and her 'Beebots' where we were introduced to coding.

Loads of fun and learning in KT-17.

Leonie Byrne, Principal

Positive Behaviour for Learning (PBL)

Positive Behaviour for Learning (PBL) is a school-wide behaviour initiative. PBL is a comprehensive, integrated whole school approach to student well-being and behaviour.

It's a process that helps create positive learning environments that enable student learning and well-being. PBL encourages positive behaviour from students, which has been shown to improve their self-concept and motivation to learn.

PBL was introduced to Tamworth South Public School about 10 years ago. The Star and the value Respect for self, others and school has been a feature of Tamworth South's PBL program throughout this time.

In 2019 as the school undertook an evaluation of PBL it was determined that a revamp was required as many staff and all the children currently enrolled in the school had not been part of its initial development.

The PBL committee started the process to consult with the staff, community and the students. Conversations about the expansion of the PBL values lead to a great deal of discussion with our community, staff and the students. A number of surveys were developed and distributed, consultation was undertaken at the P&C and via facebook to provide a platform for change.

Mrs Kim Kirk has been the driving force behind the PBL Committee and if you came to the P&C you will have been fortunate to have viewed her PBL presentation and join the discussion around determining the new values.

The new values that underpin the original respect for self, others and school are Respect, Responsibility, Safety equals Success. Each week the students engage in mini lessons on what Respect, responsibility and safety looks like. The language used in these lessons is the same across the school so our impact can be greater when talking to students from kinder to year 6.

Every fortnight on a Wednesday after school the PBL team meets. I would like to thank the PBL team for their commitment to a great initiative. All their time after school writing programs, developing signs to be displayed across the school, identifying areas of need, following a clearly defined process to address the requirements of the initiative and addressing them through a collaborative approach.

A massive thank you to the entire PBL team. I'm sure the team will agree that the success of the re-launch is shared across everyone in the team but that Mrs Kirk deserves special mention.

Thank you for your leadership and for your enthusiasm. Tamworth South, a place where everyone's star can shine.

PBL (Positive Behaviour for Learning) Relaunch:

Name our PBL STAR

Today we celebrated our PBL relaunch and what a fabulous morning it was. From the beautifully decorated stars, the announcement of our Star Mascot name, Colouring in competition, cake, ice-blocks, music and dancing our relaunch had it all.

All the students should be feeling very proud of their decorated stars which are now proudly hanging in our hall.

The PBL star has been part of our school for over 10 years, however has been without a name up until today. Thank you to everyone who submitted some creative and amazing ideas for our 'Name our Star' competition.

After much deliberation our PBL committee decided to name our star **'Mirri' - Gamilaroi for Star**. This name was put forward by Mrs Roser-Whitney's class 29RW.

A huge thank you to Grant at Forum 6 Cinemas who very generously donated tickets for the whole class as a prize. Thank you again Grant and Forum 6.

Our Colouring in competition was another highlight of our PBL relaunch and the winning entries are on display in the hall.

Congratulations to the following students:

- Kindergarten - Aurora Parker from KW-15
- Year 1 - Ashlyn Holgate from 10-18
- Year 2 - Addison Lockyer from 2F-24

Department of Education Policy

Protecting Our Children

Schools must be following Department of Education Policies. It must be appreciated that your child's safety is paramount.

Every volunteer in the classroom, canteen, office and with sporting teams, must sign a Child Protection declaration form and provide 100-point identification (if you do not provide a WWCC number).

Parents/Carers transporting team members other than their own child will also be expected to provide a copy of their license, comprehensive insurance and car registration. All paperwork can be completed and presented at the front office. Please note that you only need to do this once in the year and it will be kept on file in the front office.

Parents/Carers of all early leavers must report to the front office to collect an Early Departure slip before collecting a child. The slip must be shown to the teacher to verify that the child has been signed out.

Parent/Carers must keep the slip with them when they leave the school, incase they are approached in the street by HSLO's who often work with the police to complete a Street Sweep.

Sports Information

Over the next couple of months there will be trials coming up for North West teams.

While ALL students are encouraged to participate in the schools knockout teams North West trials are a little different. As a school we are only allowed to nominate 4 students for these trials.

Teachers that are attached to a particular sport nominate students based on skills, ability and sportsmanship. It is for this reason that notes are not given to any student that asks for one.

I do encourage students to participate in the school teams and hope you can appreciate the North West process.

Thanks
