### SCHOOL IMPROVEMENT AND WHY IT MATTERS

*With the current school improvement plan concluding in 2020, we have a great opportunity to develop a new School Improvement.*

Plan to continue to support our school on a journey of continuous improvement. School improvement is a continuous process, centred on maximising outcomes for all students, and sustaining this improvement over time. School improvement needs to 'touch every classroom', be the work of every teacher and impact every student.

A School Improvement Plan must be underpinned by a strong moral purpose and be built upon a shared commitment, from teachers, parents and community members to ensure achievement for all students.

Over the next few months you may be asked to participate in surveys delivered via phone or on paper so we can gather your opinions, suggestions and ideas. We will use this information to strengthen our School Improvement Plan. Your ideas and suggestions will be valued.

Community participation is a critical factor for improving the progress, achievement and wellbeing of our students. When schools, families and the broader community work together to develop positive connections, students thrive.

### MiniLit Awards

Joyleigh Ward, Beau Kemp, Aiden McDonald, Phillomeana Cullen-Savage, Kallyne McCluand, Harper Edmunds, Blaize Nowland, Lyndon Saunders, Jack Adams, Tyler Gibbs, Caydan Jeffriess-Tapper, Caleb Damon, Tyra Withers, Janine Doran-Dargin.

### NEWSLETTER DISTRIBUTION

Whilst operating under COVID-19 restrictions we have been holding an assembly once a week. Following consultation with class teachers it has been decided to hold our assembly on Fridays at 2:40pm. This means our newsletter will be distributed on Mondays so awardees may be included.

Our assemblies are held via "TEAMS" an online platform that allows us to broadcast the assembly into each classroom.

### EDUCATION WEEK – Learning Together

This week is Education Week. Education Week is an annual celebration of NSW public education and the achievements of local schools and students. Unfortunately, due to COVID-19 we will not be able to celebrate this week as we have in the past with an assembly and open classrooms.

On Friday we will present special Education Week awards to recognise the students' efforts. Keep an eye on the Tamworth South Face Book page for our Education Week Celebration video.
