### Kindergarten Graduation 2020

### Kindergarten Graduation 2020

*Monday 14th December saw our Kindergarten class of 2020 graduate.*

It was just delightful to see our gorgeous children in their caps and gowns. Mrs Byrne took the opportunity to remind all the students that one day, they could be wearing the same sort of graduation gown when they finish university.

Each of the students were presented with a certificate and a special book "Puffling" by Margaret Wild. Its all about a little Puffin who has to grow big enough and strong enough to take on the next chapter of his life, just like our little people have grown big enough and strong enough to move into Year One.

On behalf of all the ES1 teachers, we would like to thank all of the Kindergarten students for a wonderful year of learning. We have loved being the teachers of such an amazing bunch of people.

We wish everyone a safe and happy holiday.

Thank you

Fiona Tickle

**Leonie Byrne, Principal****Reports**

Student reports were sent home last Thursday. If you did not receive your child's report please phone the office so a message can be sent to your child's teacher.

**Classes for 2021**

The Assistant Principals have been working closely with their teachers to put together classes for 2021. A great deal of thought goes into this process with the social, emotional and academic needs of the students considered.

**Kindergarten and Year 6 Graduation**

Monday 14 December we celebrated two milestones in our students' education. The Kindergarten children donned the cap and gown and received a graduation certificate and book whilst the Year 6 were presented with a Graduation Certificate. Monday evening the Year 6 attended their farewell. The venue was changed this year from the Leagues Club and was held in our school Hall, due to COVID restrictions.

Ms Cook did a tremendous job organising a DJ, catering, tables and professional decorators so the night was an event to remember.

**COVID Restrictions**

The school bubblers have been turned back on but please keep sending a bottle of water to school with your child when they return next year. Restrictions have been gradually easing and schools have been sent preliminary details for term 1 2021.

I will send details out via our school Facebook page close to the end of the school holidays, just in case they change between now and then to avoid confusion.

**School Holidays**

The last day of term is Wednesday 16 December. 2020  
**All children will come to school on Friday 29 January 2021. (Including 2021 Kindergarten)**

On behalf of all the staff I would like to wish everyone a relaxing holiday break. Let's hope 2021 is more "normal" for our students.
