Tamworth South Public School Year 6 2021 Graduation

Our Year 6 Graduation ceremony saw the return of parents to our school. While only one parent per child was allowed and certain restrictions had to be followed, I can safely say that all were just glad to be part of the occasion.

The Farewell dinner was a lot of fun, and everyone just looked gorgeous in their finery. The photobooth that spat out old time photo strips was a real hit and so was the dance floor where I saw more than one student busting out some really cool moves!

Thank you to everyone who contributed to a successful night - the teachers that gave up their time to celebrate with their students and to the parents who were prompt in picking their child up!

It was a great night with everyone enjoying themselves and having a fun time to celebrate the end of their primary school years.

Kindergarten Enrolments for 2022

If you know of any families in our community, who haven't yet enrolled their child for kindergarten next year, please contact us as soon as possible. Please note that all public schools have a catchment zone.

If you are unsure as to which public school your child should attend or you would like to submit an out of area application, please check with the office. Also, if you are planning on leaving TSPS at the end of the term, please advise the office.

COVID 19

Thank you everyone for your patience during 2021 as we responded to the effects of COVID 19 with just over one week to go, it is important to remain vigilant with the recommendations, continue to practice good hygiene and to stay home if unwell. It would

be dreadful if we moved to the holiday break in isolation. Please take care and stay safe.

Reports

Student reports were sent home last Wednesday. If you did not receive your child's report please phone the office so a message can be sent to your child's teacher.

Classes for 2022

The Assistant Principals have been working closely with their teachers to put together classes for 2022.

A great deal of thought goes into this process with the social, emotional and academic needs of the students considered. If you have a valid reason why your child should be placed in a class away from another child you should contact the office, even if you have done so in the past, so we can consider your wishes.

Kindergarten and Year 6 Graduation

Last week we celebrated two milestones in our students' education.

The kindergarten children donned the cap and gown and received a graduation certificate and book whilst the Year 6 were presented with a Graduation Certificate.

Thursday evening the Year 6 attended their farewell. Miss Cook did a tremendous job coordinating the music, catering, tables and the professional photobooth so the night was an event to remember.

School Holidays

The last day of term is Thursday 16 December 2021.

All children will come to school on Tuesday 1 February 2022. (Including 2022 Kindergarten)

On behalf of all the staff I would like to wish everyone a relaxing holiday break.

Staff Farewells

As the end of year approaches, we say farewell to some staff members who are moving on due to a variety of reasons. These staff members, whether they are teachers or Student learning Support Officers (SLSO) have contributed to the positive culture of the school and our students lives. On behalf of all the staff I wish them well in their respective futures.

After a busy year of learning new things, making new friends and spending weeks at home for lockdown, Kindergarten has come to end for the students of 2021.

On Friday 10th December, all 92 Kindergarten students gathered in the hall, wearing their caps and gowns. Six students from each class were awarded a book or a certificate and it was wonderful to see the entire Kindergarten cohort celebrating the achievements of their friends. Then class teachers called each student to the stage where they were presented with a book to mark their completion of Kindergarten.

Wow, this year has just flown. On behalf of the ES1 teaching and support team, I would like to thank our students for a wonderful year and wish them all the best for their future studies. We are so proud of the little learners you have become. We will look forward to seeing you all when you are in Year One!

TSPS Gardening Club

Students have been extremely busy in the garden the past few weeks. Their hard work, and the rain, has produced a multitude of vegetables, number wise and size wise.

The Zucchini's especially have been growing the fastest and largest. The corn and tomatoes are madly growing however will not be ready to take home this week.

We are extremely proud of all the students who have contributed to 'gardening' this term.

Louise (Miss Brown) and I also wish the students and families a safe, happy, and healthy Christmas.

**Happy gardening

Due to COVID restrictions. Only orders completed via the *Flexischools App* or by phoning the school on 6765 8426 leave a message and I will get back to you as soon as I can.

Please be advise that I will be operating the canteen on my own, so please be patient if phoning through an order.

This will apply to icy poles and such. I will add these onto Flexischools for the foreseeable future.

However ... if icy poles are ordered with their lunches they will need to be picked up from the canteen after their lunches have been eaten so they do not melt.

Please tell your children to eat their lunches first, then they can come to the canteen and collect their icy poles.

Please note: we will **NOT** be accepting cash at the moment.
