### Soldier Art

Class 5M-03 - Mrs Meppem

#### Soldiers

5M-03 always enjoy exploring topics through art.

Earlier this year we looked at the Australian soldiers of WW1, especially at Gallipoli. We looked closely at their slouch hats and uniforms and viewed lots of old photos of Aussie diggers.

We then created portraits of what we thought the diggers might have looked like. We hope you like our art!

**Leonie Byrne, Principal****Level 3 School Operations – Update  
Non-Operational Status**

Please follow the guidelines outlined below so we can guard against becoming nonoperational. Being non-operational isn't something we, as a school, can control. It affects all of us in some way, students, families and staff, all of whom must isolate until provided with the Health advice. We look to community to follow the guidelines below to prevent our school becoming non-operational.

**Keeping us all safe**

- A combination of layered safety measures allows us to prioritise student and staff wellness while we keep schools open.

**Stay home if unwell**

- Do not attend or participate if unwell, even with mild symptoms.

**Vaccinations required**

- All staff and adult visitors to school sites **must be fully vaccinated.**

**Wear masks indoors**

- Masks are required indoors for all staff, visitors and students in Year 7 or above, and strongly recommended indoors for primary students.
- You can take your mask off when eating or exercising.

**Always check in**

- All staff and visitors must check in when attending a school site or gathering.

**Physically distance**

- Maintain 1.5 metres physical distancing wherever practicable.

**Maintain good hygiene and cleaning**

- Ensure students and staff wash hands regularly.
- Continue enhanced cleaning of schools, including high touch points.

**From 8 November**

All schools will operate on updated Level 3 settings for the rest of Term 4, with additional activities allowed in a COVID-safe manner.

**Parents and carers on site to support school operations**

- **Fully vaccinated** parents and carers will be **allowed on site to support** curriculum delivery, student wellbeing activities and school operations (for example reading support, canteens and uniform shops). Parents and carers must check in using the school check-in and show proof of vaccination on entry to the school site.

**Assemblies and presentations**

- Assemblies and presentations will be allowed outdoors on site. Cohorts should be separated with physical distancing in place.
- Care must be taken to avoid mixing and mingling of cohorts when entering and exiting the assembly or presentation.
- **Fully vaccinated visitors (including parents and carers) are only allowed to attend if completing a specific role (such as presenting) and at the invitation of the school.**
- All visitors must check in using the school check-in and show proof of vaccination.

**Graduations and formals**

- Graduations and formals will be allowed within cohorts, either on school sites or at external venues.
- For graduations and formals held on school sites, fully vaccinated parents and guests may attend at the discretion of the school if there is sufficient capacity in the venue based on COVID-safe capacity limits (square metre rules).
- Graduations and formals held off school sites must comply with any COVID-safe requirements in place for that venue.

**Sports**

- From 1 November, **school sports are allowed**, including inter-school sports **outside of school hours**.
- Schools can access pools (both indoor and outdoor) within cohorts and with COVID-safe measures in place to reduce mixing and mingling of cohorts.

*Continued on page 2*

**Transitions and orientations**

- Transitions and orientations will be allowed as long as they are designed to minimise mingling between transition or orientation cohorts and school cohorts.

**Visitors**

- Fully vaccinated visitors are allowed on site to support curriculum delivery, wellbeing programs and school operations. These include programs such as reading support, canteens, uniform shops and gardening.
- Other visitors may request the school’s permission to come on site to conduct relevant work duties (such as media, representatives from agencies such as the NSW Ombudsman, researchers, members of parliament and their staff). These decisions are at the discretion of the school.
- **All visitors must sign in using the school check-in app and show proof of vaccination status on entry to the school site.**

**Congratulations**

Ara Argue in KT-22.

She was the Regional Winner for a state-wide colouring competition of Parliament House.

What an incredible achievement! We are all very proud of Ara.

## Kindergarten final Transition Morning

This week saw our final kindergarten transition morning for 2021. We can't wait for our wonderful new school members to start learning with us next year.

Today we read all about going on a bear hunt. We all made some bears and then went hunting around the school. We looked for a green sheep in the school office, a hungry caterpillar in the canteen and a brown bear in the library.

We all did so much walking as we got to know our new school. The students then went home with a gift bag that included their school hat, library bags, textas and pencils. If your child missed out on a bag please call the office.

I would like to thank the Principal and the P&C for donating the gift bags. I would also like to thank our Year 6 helpers students Heather Dewhurst, Taryn Stewart, Hudson Stout, Noah Barnett-Suey and Jody Ibrahim. It was wonderful to have such fantastic role models for our little people to aspire to!

Thanks to the teachers amazing ES1 teachers and Michelle in the office. Your amazing organization was so appreciated!.

Families of kindergarten students will be send a letter at the end of this year, outlining dates for their first day. If you haven't enrolled, it is not too late to do so! Just give the amazing team in the office a call.

### What you can do

Here are a few things you can do to help keep your child and others safer during drop-off and pick-up times during the school week.

- ▶ Always park and turn legally around schools and avoid dangerous manoeuvres like U-turns and three-point turns
- ▶ Its safest for children to get out of the car on the kerb side of the road to be away from passing traffic.
- ▶ Where provided, use Children's Crossings to drop-off & pick-up children.
- ▶ Always hold your child's hand - young children may be easily distracted and wander into traffic.
- ▶ Always give way to pedestrians especially when entering and leaving driveways.
- ▶ Stick to the 40km/h speed limit in a school zone as children are about and can be unpredictable.
- ▶ Make sure your children are in the correct child car seat that is fitted and used correctly.
- ▶ Make sure your child is wearing a helmet when riding a bike, scooter or skating.
- ▶ Look out for buses - a 40km/h speed limit applies which school bus lights flash.

Always meet your child at the bus stop. Never meet them on the opposite side of the road and call them across.

**Your child's safety depends on you.**  
**Young children can learn these safe habits from you.**

### Peel High School Year 6 Orientation Day

21<sup>st</sup> October 2021

Dear Parents and Caregivers,

Unfortunately, due to the current restrictions in place due to Covid-19 we are unable to hold our regular Year 6 Orientation Day assembly with future students and their families that was scheduled for 23<sup>rd</sup> November.

We understand this is an important part of a student's schooling journey and as such, we have made the decision to hold a virtual Orientation Day this year. This means that we will now record our assembly and send it, along with the Orientation booklet and other relevant information directly to the primary schools.

We will also upload this information to the Peel High School website and Facebook page, which will allow you, as parents and caregivers, to access this important information.

We are extremely disappointed that we have been unable to welcome you and your family into our school as we had hoped, but our Wellbeing Team has already begun planning a range of activities to ensure your children feel welcomed and connected to the Peel High School community.

We look forward to welcoming our future students and their families early in 2022. Thank you for your understanding and support during this time. If you have any questions, please feel free to contact the school on 67 657 088.

Yours sincerely,

Rod Jones  
Principal
