**NAIDOC WEEK**

NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

At Tamworth South Public we will celebrate NAIDOC Week this week in the lead up to the school holidays. It is an opportunity for all of us to learn about First Nations cultures and histories. The students will have an opportunity to participate in celebrations of the oldest, continuous living culture on earth.

Today we held our NAIDOC Week assembly to open the week of activities. We thank Councillor Mark Sutherland for delivering the Acknowledgement of Country, Buddy Knox and the support unit for their musical performance, the TSPS Gomeroi Girls Dance group, the TSPS Boys Dance Group and Winangali Infusion for their contributions to the assembly.

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

### 3P-10 Science - Rock Cycle

This week students in 3P-10 conducted an experiment to look at the stages of the rock cycle using Starbursts.

The hands on (edible) activity allowed the students to explore the processes in which rocks go through to become sedimentary, metamorphic and igneous rocks.

The class thoroughly enjoyed seeing how their sediments (candy) changed into different types of rocks by compacting and applying heat and pressure.

# NSW GROUP IS NOW ENROLLING

Since 1934 the Australian Air League has been teaching young boys and girls nationwide all about aviation, while helping them develop important life skills like leadership, discipline, self confidence and teamwork. When you join the league you will make new friends and take part in fun and exciting activities, on the ground and in the air.

Each week you will attend your local squadron where you will learn valuable skills and take part in fun and interesting activities and classes. Some of our classes include Meteorology, Navigation, Photography and Community Service. Squadrons also attend training camps, sport and recreational days, flying experiences and ceremonial drill.

We welcome boys and girls from the age of 8 years old from all different cultures and backgrounds. Parents and families are welcome to support or even join their local squadron as a volunteer. All adult members and volunteers are Working with Children Checked.

The Australian Air League is running both a fun and educational programme that is making fine citizens out of our young Australians.

 Flexi-Schools by 9am

Please remember to pack a serving of fruit or vegetables for your child to take to school every day.

Each class participates in a break during the morning session to allow students to 'refuel' on fruit and vegetables and 'rehydrate' with water.

Students who are not hungry and who are well hydrated perform better in the classroom, show increased concentration and are less likely to be distracted or disruptive.

**If it's on Blue there is Something to do**

The mantra 'If it's on blue there's something to do' refers to notes that are sent home. If the note is on blue paper you are required to do something.

The use of blue paper is to help parents/carers easily recognize permission notes.

## Canteen News

Canteen can once again have visitors on site as per school regulations.

Orders after the 9:10am morning bell will only be able to be sandwiches.

We are now able to have volunteers back, however some days will still only have one staff member on site, so we appreciate your patience and understanding.

We encourage all to utilize the Flexi School App, it is very easy to use and convenient.

If you need to cancel a Flexi-School order, please do so before 9:00am, go into your order and press cancel, you will be refunded through Flexi themselves back into your account, we are not able to cancel the order ourselves as this is your individual account.

Please be aware that once an order is cooked, we are not able to refund if the child is not at school or leaves early, so we need to know as soon as possible, if your child has a sibling, we will offer it to them so it does not go to waste if they wish to have it.

We can hold some food over for the next day once the student is back at school and we will work with you as much as we can, however we cannot do this for anything hot as this would violate health and safety regulations.

We would like to thank you all for your patience and understanding over the last couple of years with all the COVID issues, we appreciate your continued support of our canteen.

You will need to open your App

- Choose "shop"
- Click green order button
- Choose your delivery date
- Click through the categories to find what you need
- Confirm your order
- Choose your payment type

Your order with your invoice will be sent to your child's classroom to take home.

Please phone 6765 8426 with any queries. Please leave a message at the office and I will get in contact with you as soon as I can.

If you require an exchange of sizes please keep all tags on the items if you wish to exchange.

**Please note :-That cash is being accepted at the Canteen.**

Thank you

Michelle Weber  
Canteen Manager

## Uniform Shop Extra Hours

**Uniform Shop will be open between 12:30pm and 1:30pm each day. Extra hours are Tuesday and Thursday from 2:30pm to 3:15pm next to the Canteen. Eftpos and cash will be accepted.**

Parents/Carers can come to the canteen between the above times as we are unable to sell uniform shop stock in the mornings, due to no volunteers at this stage.

Parents/Carers can phone the school and be put through to order and the stock will be sent to the child in the lunch baskets.

Flexi Schools is still the most preferred option as it is easy for all. Any orders placed before 5:00pm should be sent to the student the next school day, however, sometimes there can be delays but all stock should be provided within 3 days of order.

If a student is away when order gets sent to their classroom, the class teacher will hold it for them for the next time they are in.

## Parent and Citizens

Our P&C meetings are held on the third Wednesday of each month.

The next P&C meeting will be held on Wednesday 20 July in the Library at 5:00pm.

A gold coin donation is all that is required to become a member. It is a great way to meet new people and become involved at your child's school.

The P&C do an amazing job supporting our school, it would be wonderful to see more parents/carers or grandparents being actively involved so activities like our Mothers' and Fathers' Day stalls, pie drives, cookie dough fundraising, clothing pool and canteen are not lost to our school.

We would love to see you at our next meeting.
