Reports

Student reports were sent home on Wednesday. If you did not receive your child's report, please phone the office so a message can be sent to your child's teacher.

Kindergarten and Year 6 Graduation

Last week we celebrated two milestones in our students' education. The kindergarten children donned the cap and gown and received a graduation certificate and book whilst the Year 6 were presented with a Graduation Certificate.

Year 6 Farewell

Thursday evening the Year 6 attended their farewell. Ms Cook did a tremendous job coordinating the music, catering, tables and setting up of a photobooth so the night was an event to remember.

Staff Farewells

As the end of year approaches, we say farewell to some staff members who are moving on due to a variety of reasons. These staff members, whether they are teachers or Student learning Support Officers (SLSO) have contributed to the positive culture of the school and our students' lives. On behalf of all the staff I wish them well in their respective futures.

Mr. McDonald

Mrs. Libby Smith

Mr. Ward

Ms. Hollis

Miss Lambert

Mrs. Hadden

Miss.Collison

Mrs. Christakos

Mrs. Tremaine

School Holidays

The last day of term is Friday 16 December 2022. All children will come to school on Tuesday 31 January 2023. (Including 2023 Kindergarten)

On behalf of all the staff I would like to wish everyone a relaxing holiday break

PBL
We have a growth mindset
Week 2 2023

At Tamworth South Public School
we have a growth mindset

Week 2 PBL Focus is...

At Tamworth South Public School - we have a growth mindset
 What it looks like.....

- ✓ Staying calm when something becomes difficult
- ✓ Asking someone you trust for help
- ✓ Not giving up on your goals
- ✓ Working hard and continuing to practise
- ✓ Acknowledging setbacks

Canteen News

Orders after the 9:10am morning bell will only be able to be sandwiches.

We are now able to have volunteers back, however some days will still only have one staff member on site, so we appreciate your patience and understanding.

We encourage all to utilize the Flexi School App, it is very easy to use and convenient.

If you need to cancel a Flexi-School order, please do so before 9:00am, go into your order and press cancel, you will be refunded through Flexi themselves back into your account, we are not able to cancel the order ourselves as this is your individual account.

Please be aware that once an order is cooked, we are not able to refund if the child is not at school or leaves early, so we need to know as soon as possible, if your child has a sibling, we will offer it to them so it does not go to waste if they wish to have it.

We can hold some food over for the next day once the student is back at school and we will work with you as much as we can, however we cannot do this for anything hot as this would violate health and safety regulations.

We would like to thank you all for your patience and understanding over the last couple of years with all the COVID issues, we appreciate your continued support of our canteen.

P & C

Update on Uniform Shop Hours

Uniform Shop will be open between

8:40am - 9:10am each day

12:30pm - 1:30pm each day

By appointment only 2:30pm - 3:30pm.

If you wish to make an afternoon appointment send a post to the P & C Facebook page or contact the office and leave your details. We will contact you within 3 days to arrange an appointment.

Eftpos and cash will be accepted.

Parents/Carers can come to the canteen between the above times as we are unable to sell uniform shop stock in the mornings, due to no volunteers at this stage.

Parents/Carers can phone the school and be put through to order and the stock will be sent to the child in the lunch baskets.

Flexi Schools is still the most preferred option as it is easy for all. Any orders placed before 5:00pm should be sent to the student the next school day, however, sometimes there can be delays but all stock should be provided within 3 days of order.

If a student is away when order gets sent to their classroom, the class teacher will hold it for them for the next time they are in.

P & C

Parent and Citizens

Our P&C meetings are held on the third Wednesday of each month.

There will be no more P&C meetings until 2023.

A gold coin donation is all that is required to become a member. It is a great way to meet new people and become involved at your child's school.

The P&C do an amazing job supporting our school, it would be wonderful to see more parents/carers or grandparents being actively involved so activities like our Mothers' and Fathers' Day stalls, pie drives, cookie dough fundraising, clothing pool and canteen are not lost to our school. *We would love to see you at our next meeting.*

Dear Tamworth South Community

The P&C would like to thank everyone for their support in fundraising for our school in 2022.

We wish a safe and festive holiday for all our families and we look forward to working together in 2023

Your P&C Team

Uniform Shop through Flexischools

If you are placing an order through Flexischools you will need to place the order by 5:00pm the day before.

You will need to open your App

- Choose "shop"
- Click green order button
- Choose your delivery date
- Click through the categories to find what you need
- Confirm your order
- Choose your payment type

Your order with your invoice will be sent to your child's classroom to take home.

Please phone 6765 8426 with any queries. Please leave a message at the office and I will get in contact with you as soon as I can.

If you require an exchange of sizes please keep all tags on the items if you wish to exchange.

Please note :-That cash is being accepted at the Canteen.

Thank you Michelle Weber
Canteen Manager

Keep you eyes on this space

2023!

GERRIC for Gifted Students Program
Helping bright young minds thrive
January 2023
Online & on-campus

We are excited to announce that our GERRIC Student Programs will return in January 2023! Our Scientia programs will be run both online and on-campus to provide students with the choice of what works best for them. This is a school holiday program that expands the minds of bright, inquisitive individuals looking for an intellectual challenge that is more demanding and more fun than they may sometimes experience at school.

All courses are 3-day workshops. Registration will be available from 10 November 2022.

Junior Scientia: Years 3 - 6
The Junior Scientia program is designed for gifted and talented primary school students in Years 3-6. To participate in the program, students will select one three-day workshop from a range of options.

Scientia Challenge: Years 7 - 10
The Scientia Challenge program features a range of exciting workshops taught over three days designed for gifted and talented high school students in Years 7-10.

All workshops are developed and presented by experienced teachers who are qualified or experienced in gifted education. They possess the expertise and skills to encourage the interests and pique the curiosity of gifted children.

Developed and led by practising experts, the workshops follow a university-style investigative structure with intellectually-stimulating content. With the level of study aimed two years higher than the students' grade level, these dynamic workshops offer gifted students a rigorous and challenging program.

9-13 January 2023
Online
UNSW Campus, Kensington
9:00am - 3:00pm

Follow the QR code for more information about our program
