Festival of Choral Singing

We are so proud of the students who represented Tamworth South, performing in the Opera House as part of the 2023 Festival of Choral Music.

On Monday 18 September, 25 students, accompanied by Mrs. Brown and Mrs. Meppem, travelled by train to Sydney. That evening, our boys and girls had a delicious meal, a ferry ride on Sydney Harbour and settled into their accommodation.

The next day, we rehearsed for three hours in the Opera House, finetuning our sound with around nine hundred other public primary school choirs. After an early tea, we then returned to the Opera House to perform. The singing was amazing and we were lucky to have many family members in the audience to enjoy the performance.

The behaviour of our Tamworth South students was so exceptional that we were complimented by members of the public on several occasions. We returned to Tamworth by train the next day.

Amanda Cook, Principal (Relieving)

End of Term 4

Finally, the end of term has arrived and an opportunity for staff to refresh their batteries, and for our students to enjoy being with friends and family.

This last week has been a busy one with 'Choral festival of Music, 'Talk Like a Pirate Day,' our K-2 Athletics Carnival and end of term Discos.

I would like to thank Mr. Daniel Wilson for his time as relieving deputy principal. Schools are complex busy places and to have someone take on that position and work with Mrs. te Groen, insured the continued support of our students, staff, and parents. Next term Mrs. Byrne returns from leave, and I will return to my position as deputy.

I wish everyone a safe and refreshing break and look forward to everyone's return next term, and remind our families that there is no Staff development day and all students return on the Monday 9 October.

Talk Like a Pirate Day Fundraiser

This week on Wednesday 19 September, Tamworth South held a "Talk Like a Pirate" day for all students. All students that attended school had an amazing time joining in with all the activities that occurred. There was a guessing game where students had to guess how many lollies or chocolates in a jar and some pirate themed sport competitions that the year 6 parliament created for everyone.

In the lunch time and afternoon tea break, some year 6 parliament students held the guessing game.

In infants, the winners for our guessing game are:

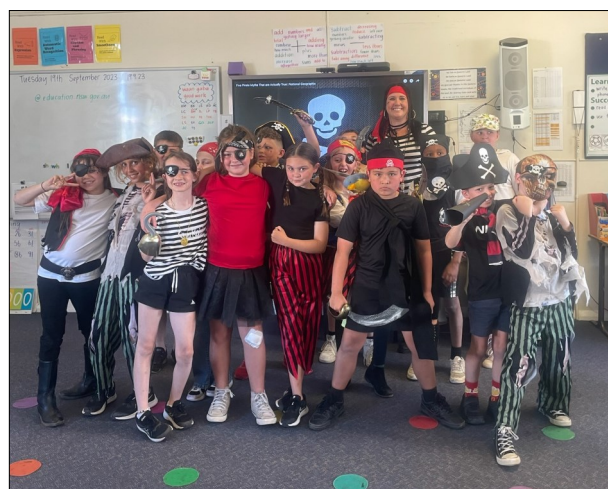

Mrs. O'Connor 10-17 for the gummy eyeballs
 Riley McGregor 10-17 for the chocolate gold coins
 Mallirah Livermore-Adams 2C-23 for the gummy octopuses.

In primary, the winners are:

Hollie Marshall 5N-34 for the gummy eyeballs
 Braxten Parfitt 29V for the chocolate gold coins
 Bentley Kemenyvary 4G-05 for the gummy octopus'.

With the guessing games, we raised \$38.40 altogether from both infants and primary. The year 6s will use that money for their year 6 gift at the end of the year.

In total from all the gold coin donations, Tamworth South has raised \$285.00 for Childhood Cancer Support. Everyone had a magnificent time participating in our pirate sport activities and the guessing games.

Medical Conditions

Each year it is important that you notify the school if your child has a medical condition. This needs to be supported by your Doctor.

Your Doctor will provide you with a Medical Action Plan, this action plan is only active for 12 months.

It is a legal requirement that you provide the school with a current and updated plan each year.

This notification should occur either at the time of enrolment, or if your child is enrolled as soon after diagnosis as possible.

This ensures that the school community provides your child with the most effective support possible.

Please call the school if this applies to your child, so we can share information and clarify each other's expectations.

Mobile Phones and other Devices

If you have a child who brings a phone to school please remind them to hand it into the front office.

Phones are to be handed in upon arrival at school and to pick them up at the end of the day.

Students who fail to do so will have their phone confiscated and it will need to be collected from the office by a parent/carer.

We have purchased soft cases to put the phones in.

The cases will have the child's name written on them so there will not be any confusion over who owns which phone.

Remember the school will not be responsible for lost, damaged or stolen phones.

K-2 Athletics Carnival

"After moving from the United Kingdom in Winter 2022, I set a goal to be an accredited proficient teacher in New South Wales as quickly as possible.

With the help of my colleagues and mentors not only was I able to successfully achieve accreditation in under a year but I have also had fun during the process.

Recognition of the Australian teacher standards is not only a skill but also a responsibility which I take seriously to support students as best as I can."

Our next P&C meeting will be held on *Wednesday 18 October 2023* at 4:00pm in the school library.

A gold coin donation is all that is required to become a member. It is a great way to meet new people and become involved at your child's school.

P&C Association

We are excited to announce our school will be transitioning to an upgraded School Bytes finance system on 12 September 2023!

In preparation for the transition to a simplified finance system for both you and the school, we will be required to implement a short payment lockout period where we will not be able to receive any payments.

What this means for you

- No payments can be made online from 9am, Tuesday 5 September 2023.
- Last day to make cash, cheque or EFTPOS payments will be at 1pm on Wednesday 6 September 2023.
- We will advise you when payments can resume closer to the above date
- Any existing payment links that have been sent to you previously in emails can still be used after the transition and will automatically redirect to the new system
- After the transition, a School Bytes portal will be available for you to register and begin using (Link: <https://portal.schoolbytes.education>)
- All previous payments made will be migrated to the new School Bytes finance system and portal
- Moving forward, when making a payment online, you will be redirected to a Service NSW page to complete an online payment. This is the new payment platform for online as directed by the NSW Department of Education.
- Payments made online will display as OSCHOOLSONLINE 0000 PARRAMATTA AUS on your bank statements moving forward.

What is the School Bytes portal

The School Bytes portal provides flexibility for you to conveniently:

- Make school payments online (including paying for multiple siblings at once)
- Use a family credit to pay for an activity or school contributions
- Download a receipt for payments made
- View all historical payments in one place
- Complete and submit digital permission notes
- View the status of all permission notes
- Request a refund if required

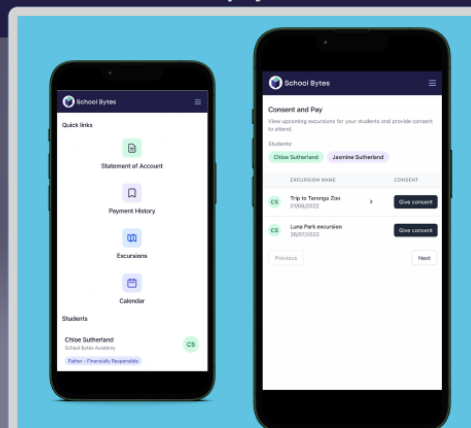

This can be done where you want at any time: day or night.

Through the portal, you will easily be able to download a receipt once a payment has been made and have access to view all historical payments when needed. Online payments are processed in real-time and can be viewed by school staff immediately.

While our preference is for payments to be made via the portal, we will still accept payment via cash, cheque, money order and EFTPOS.

AVAILABLE NOW!

We are excited to announce our school will be transitioning to a more flexible and simplified way parent/carers can make payments

The Parent Portal

- Easily make a payment online
- Download your receipt
- Sign and return permission notes digitally
- Use any credits on your account to make payment
- View your complete payment history
