Vocal Group's trip to Armidale.

On Tuesday 5 September our Vocal Group students travelled to Armidale for the cluster rehearsal for their upcoming performance in the Opera House as part of the State Festival of Choral Music.

Tamworth South students were great ambassadors for our school, showing focus during the day long rehearsal and mixing with Ben Venue students during break times.

Mrs Brown and myself are very proud of your efforts and look forward to your performance in Sydney on Tuesday 19 September!

Term 3 Coming to an End

This will be our last full newsletter for term three. As usual term 4 will be filled with lots of activity around our newest members. Our kindergarten students for next year will begin their transition. If you have a child commencing school in 2024, or a friend or a member of your wider family, please make sure you get the enrolment forms in. If you have moved out of zone since the enrolment of other children, you will need to do an out of zone enrolment.

We will aim to keep families together, but sometimes positions fill up with zoned enrolments and at times, if enrolments are late, we have had to decline siblings. So don't delay and let us know of your intentions.

Talk Like a Pirate Day Fundraiser

Next week we have 'Talk Like a Pirate Day', it is a fun day and a great opportunity to dress up, but also to increase awareness around childhood illness and a time to give to others through donations.

A fun day that teaches our students to become 'good citizens' and to develop empathy.

Warmer Weather Coming

As the weather has begun to warm up, we have had many students wearing caps to school instead of their school hat. Our school hat provides better coverage and protection for our students and while most skin cancers appear in adulthood the damage often occurs in childhood.

With some of our older students though, wearing a school hat is just not cool! The staff and our P & C have been giving some thought to introducing a school cap, while not perfect coverage it does offer more than no hat at all.

Let us know what you think by contacting us, either by phone, email or a conversation with your child's teacher.

Nitbuster Day

Kindergarten, Year 1, Year 2 & Support Unit

The Nitbuster Program aims to educate schools, children, and parents about head lice and how to treat them. Notes have been sent home to request your permission for your child to participate in the Nitbusters Day which will be held on the following days.

Medical Conditions

Each year it is important that you notify the school if your child has a medical condition. This needs to be supported by your Doctor.

Your Doctor will provide you with a Medical Action Plan, this action plan is only active for 12 months.

It is a legal requirement that you provide the school with a current and updated plan each year.

This notification should occur either at the time of enrolment, or if your child is enrolled as soon after diagnosis as possible.

This ensures that the school community provides your child with the most effective support possible.

Please call the school if this applies to your child, so we can share information and clarify each other's expectations.

Good for kids

good for life

What is a serve of fruit and veg?

Fruits and vegetables are a great source of vital nutrients that support the health of your child's growing body.

It is important to eat a variety of different coloured vegetables and fruit everyday, but do you know how much your child should be eating?

How many vegetables?	How much fruit?
4-8 years = 4 ½ serves	4-8 years = 1 ½ serves
9-18 years = 5 serves	9-18 years = 2 serves

1 serve of vegetables is:

-  ½ cup cooked vegetables
-  1 cup leafy or raw salad vegetables
-  ½ medium potato

1 serve of fruit is:

-  1 medium piece e.g. apple, orange, banana or pear
-  1 cup diced or canned fruit (in natural juice)
-  2 small pieces e.g. apricots, plums or kiwi fruits

If it's on Blue there is Something to do

The mantra 'If it's on blue there's something to do' refers to notes that are sent home. If the note is on blue paper you are required to do something.

The use of blue paper is to help parents/carers easily recognise permission notes so they can be returned back to the school on time.

^z Congratulations to the PBL "I've been caught making good choices" winners all received \$5.00 canteen coupons at Monday's assembly.

May P&C Meeting

Our next P&C meeting will be held on Wednesday 20 September 2023 at 4:00pm in the school library.

A gold coin donation is all that is required to become a member. It is a great way to meet new people and become involved at your child's school.

We do not require a full time commitment - all the P&C would ask is if you could spare a couple hours each month. If you would like to offer your some of your time, or get some information, please speak to Louisa Devine who can be found in the Canteen most mornings.

We would love to see you at there!!!

P&C Association

We are excited to announce our school will be transitioning to an upgraded School Bytes finance system on 12 September 2023!

In preparation for the transition to a simplified finance system for both you and the school, we will be required to implement a short payment lockout period where we will not be able to receive any payments.

What this means for you

- No payments can be made online from 9am, Tuesday 5 September 2023.
- Last day to make cash, cheque or EFTPOS payments will be at 1pm on Wednesday 6 September 2023.
- We will advise you when payments can resume closer to the above date
- Any existing payment links that have been sent to you previously in emails can still be used after the transition and will automatically redirect to the new system
- After the transition, a School Bytes portal will be available for you to register and begin using (Link: <https://portal.schoolbytes.education>)
- All previous payments made will be migrated to the new School Bytes finance system and portal
- Moving forward, when making a payment online, you will be redirected to a Service NSW page to complete an online payment. This is the new payment platform for online as directed by the NSW Department of Education.
- Payments made online will display as OSCHOOLSONLINE 0000 PARRAMATTA AUS on your bank statements moving forward.

What is the School Bytes portal

The School Bytes portal provides flexibility for you to conveniently:

- Make school payments online (including paying for multiple siblings at once)
- Use a family credit to pay for an activity or school contributions
- Download a receipt for payments made
- View all historical payments in one place
- Complete and submit digital permission notes
- View the status of all permission notes
- Request a refund if required

This can be done where you want at any time: day or night.

Through the portal, you will easily be able to download a receipt once a payment has been made and have access to view all historical payments when needed. Online payments are processed in real-time and can be viewed by school staff immediately.

While our preference is for payments to be made via the portal, we will still accept payment via cash, cheque, money order and EFTPOS.

AVAILABLE NOW!

We are excited to announce our school will be transitioning to a more flexible and simplified way parent/carers can make payments

The Parent Portal

- Easily make a payment online
- Download your receipt
- Sign and return permission notes digitally
- Use any credits on your account to make payment
- View your complete payment history
- Request a refund

Mobile Phones and other Devices

If you have a child who brings a phone to school please remind them to hand it into the front office.

Phones are to be handed in upon arrival at school and to pick them up at the end of the day.

Students who fail to do so will have their phone confiscated and it will need to be collected from the office by a parent/carer.

We have purchased soft cases to put the phones in.

The cases will have the child's name written on them so there will not be any confusion over who owns which phone.

Remember the school will not be responsible for lost, damaged or stolen phones.
